

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE:** Information about the cost of this plan (called the premium) will be provided separately. **This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, call Zenith at 1-800-251-5014. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u>?	\$200/Individual	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u>?	Yes. Routine physical exams, <u>preventive care</u> from contract <u>providers</u> , hearing aids, and outpatient <u>prescription drugs</u> are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u>?	Medical <u>plan</u> contract <u>providers</u> : \$5,000/individual, \$11,000/family. Medical <u>plan</u> non-contract <u>providers</u> : \$10,000/individual. <u>Prescription drugs</u> (in-network): \$1,600/individual, \$2,200/family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u>?	Medical <u>Out-of-Pocket Limit</u> does not include <u>premiums</u> , <u>balance-billing</u> charges, dental & vision <u>plan</u> expenses, <u>prescription drugs</u> , penalties for failure to obtain <u>pre-authorization</u> , amounts over the reference-based price for certain surgeries, amounts for certain treatment at Non-Center of Medical Excellence facility, health care this <u>plan</u> doesn't cover and Non-Contract <u>provider copayments</u> and <u>coinsurance</u> .	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .

For a list of Blue Card <u>providers outside the state of California</u> , see www.bluecares.com or call 1-800-810-2583. You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u>?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .
